Willo Enduro to be part of the Australian Marathon Series in 2015

We are excited to be celebrating our fifth year by being part of the 2015 Marathon Mountain Bike National Series. See MTBA Press Release <http://www.jameswilliamson.com.au/updates/the-willo-enduro-joins-marathon-mountain-bike-national-series/>

MTBA President Russ Baker reflected:

"Passionate about his sport in every way, in addition to being a World Solo 24 Hour Champion, James Williamson was a top-level XCO and XCM rider and the Willo Enduro has proven itself to be a great and honourable way of remembering him.

The Willo Enduro is a well established event in a very convenient location for riders with a great course, more than fitting for a race of national stature. "I would also like to commend Meg Patey and her team for the support that the Willo Foundation gives to junior riders from the proceeds of this race. This will continue into the future, providing the opportunity for young Australians to emulate James' achievements. "I encourage all riders to take part in the 'Willo', it will be a fantastic experience and a great way to support the future of our sport."

Being part of the XCM series does not in any way alter the Willo as riders know and love it. All riders who enter the 75KM category at the Willo are entitled to earn points towards the XCM series. They can then choose to do other events in the series or not. A XCM series specific website will be on-line very soon.

Social Ride Sunday 22 February 11 am

Meet at the Forest Camp on Sunday February 22 Feb to ride the new single track for the Willo. This area was ridden last year in the Highland Fling. If you haven't ridden this section yet, it is worth taking this opportunity for a practice run. Meet 11.00am at the Forest Camp, Wingello for about ninety minutes riding. (This ride is for all those who want to improve their skills for tricky areas of single track. We will have experienced riders to show us how it is done, and will spend time specifically in these areas, but not actually ride the whole 25KMS). 2014 Map here showing forest camp <http://www.jameswilliamson.com.au/wp-content/uploads/2011/02/course-map-2015.gif>

Only 45 days to go

See you all soon!
