

SUB JUNIORS AT THE WILLO

Sunday March 11th 2018

Sub JUNIORS race at 10am – 10.30am

4 –11 year olds race at the Event Centre on a small section of single track at the back of Registration. There are two categories for this race.

- At 10am, the 7, 8, 9, 10 year olds will race.
- At 10.20am the 4, 5, 6 year olds will race.

These age demarcations are flexible. This activity is designed to let all the younger kids have a go, whilst recognizing that their riding ability varies a lot. Talk to the volunteers at registration to help you decide which level your child can ride/race at. This is meant to be a fun activity not a real “race”!

All sub juniors **must register for this race between 9.30 & 10am at Registration.**

All riders need to pay \$5 to race. All riders in these two events get a race plate and medallion!
